Date: April 12, 2026

To,
Esteemed Members,
Electronics Safety and Security Association of Bangladesh (ESSAB)

Subject: Regarding Formation of Standing Committees.

Assalamu Alaikum,

I hope this message finds you well.

This is to formally notify that, with a view to ensuring more structured, efficient, and dynamic management of the Association's overall activities, it has been decided to constitute eight (8) Standing Committees. These Committees will play a pivotal role in the implementation of policies, strategic planning, enhancement of member services, and execution of various developmental initiatives.

The proposed Standing Committees are as follows:

1. Standing Committee on Arbitration, Privacy Protection & Legal Affairs
2. Standing Committee on Branding & Publications
3. Standing Committee on Training, Research & Planning
4. Standing Committee on Public Relations & Communication
5. Standing Committee on Inspection & Disaster Management
6. Standing Committee on Membership, Welfare & Support
7. Standing Committee on International Affairs
8. Standing Committee on National & International Event Management

For the effective achievement of the Association's goals and objectives, the experience, expertise, and active participation of our respected members are highly valued. Interested members are requested to inform the concerned authority, mentioning their preferred committee, within seven (7) working days from the date of this notice. The Association believes that the collective participation of its members will further strengthen its activities and contribute to its growth as a well-organized and progressive organization.

Your kind cooperation and active participation in this regard are highly appreciated.

Warm Regards,

Naeem Uddin Mahmood
